Alzheimer's disease Legal and Financial: Issues & Answers

Many families wait until it's too late to learn about legal and financial concerns. This presentation by an elder law attorney provides information about wills, durable power of attorney, protection of assets, health care proxy, and what Medicare and Medicaid do and do not cover. While this program is not intended to substitute for a personal appointment with an elder law attorney, you will have the opportunity to hear about typical issues and problems that can be avoided or reduced by adequate planning.

Program is free of charge.

Pre-registration is required.

Please call 800.272.3900 to register.

**Call 800.272.3900
for more information
or to register.**

The Alzheimer's Association is the largest national voluntary health organization in Alzheimer care, support and research.
