8:00 Setting Up Next Steps for CAC - Plan, LOCUS, Public Benefits, etc.

8:30 Adjourn

As discussed at the July USq CAC meeting we have chosen to devote the August CAC meeting to the small and creative economy. As the CAC and Somervillians more broadly consider how to balance our present assets and future growth toward a more sustainable live work balance, keeping and nurturing the blossoming Union Square creative economy has to be front and center.
