Proposed zoning in Union Square
A public meeting

Monday, November 20th, 6 pm

Somerville Public Safety Building
220 Washington Street
just outside Union Square Plaza

Mayor Joseph Curtatone, **Ward 2 Alderman Maryann Heuston** and **Ward 3 Alderman Thomas Taylor** invite all interested parties to a community workshop on the recently submitted Union Square Zoning Amendments, which include an Arts Overlay District and a PUD-C. Over the past two years, ArtsUnion—a project shepherded by the Somerville Arts Council in conjunction with the city's Strategic Planning and Community Development and numerous other partners—has explored how zoning in Union Square can better support artists and arts organizations; the result is a proposed Arts Overlay District. In addition, the proposed PUD-C is designed to unleash economic development within municipal-owned property. Please come to this public meeting to learn more about both proposals. For more information, contact Gregory Jenkins/Arts Council (617-625-6600, x2985) or Joe Merkel/SPCD (617-625-6600, x2500).
