

Electronic Waste Recycling

Free Environmentally-Friendly E-waste Disposal

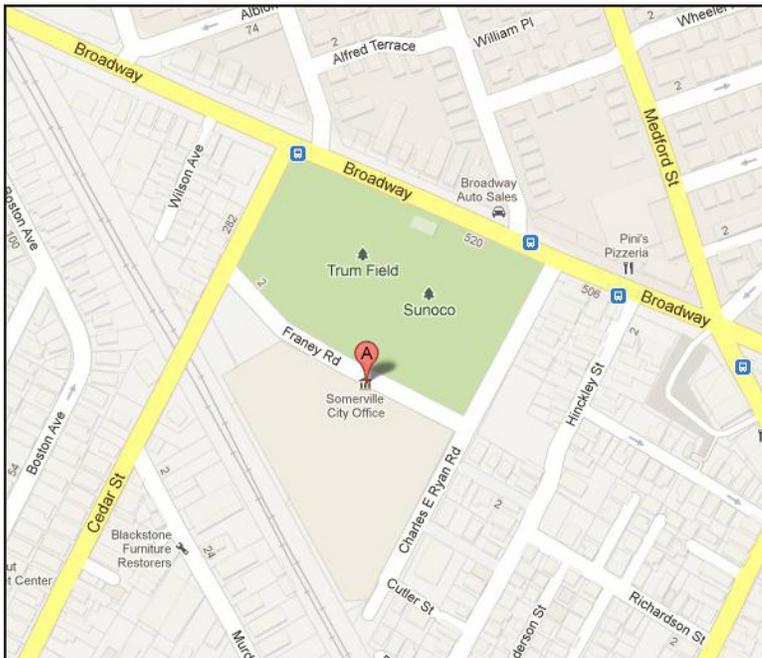

Saturday, November 10th [9 AM – Noon]
at 1 Franey Road, Somerville

As part of the Hazardous Waste Day on November 10, the City of Somerville, in conjunction with ProTek Recycling, Inc., will be offering free recycling of electronic waste. All broken, used, or unwanted electronics will be properly recycled so that hazardous material does not end up in a landfill or the environment.

Items Freely Accepted:

- Desktop PCs
- Laptops
- Cell Phones
- Routers
- Network Switches
- Photocopiers
- Power Supplies
- Wires/Cables
- Misc. Electronic Parts
- Scanners
- Servers
- Coffee Makers
- Microwaves
- Toasters
- Vacuum Cleaners
- Radios
- Electronic Instruments
- Laser Printers
- Projectors
- VCRs
- DVD Players
- Cable/Satellite Boxes
- Speaker Systems
- Lamps
- Plasma Screen TVs
- LCD Monitors
- Inkjet Printers
- CRT Monitors/TVs

**We cannot accept
Dehumidifiers or AC Units**

Businesses and organizations with large amounts are welcome, just contact us to make arrangements. If you have any questions or would like more information, contact Max Cane at: info@protekrecycling.com

If you are worried about sensitive material on your hard-drive, we can offer either magnetic destruction or simply remove it on the spot and give it back to you. We will have a person on staff to handle this throughout the event, so please ask.
