Others in attendance:

Rob Antico (DCR), Ron Burns (Bhatti Group)

Staff:

Michael Lambert, OSPCD

Agenda Items:

1. Order of Conditions for Remedial Repairs of Mystic Valley Parkway over Alewife Brook, Bridge #2

Applicant: Rob Antico (DCR)

Voted Actions Taken: None.

Conservation Commission requests following steps from Mass Department of Conservation and Recreation (to be incorporated into Order of Conditions):

- Increase the amount of shrubbery on slope where trees are being removed in order to increase integrity and control.
- Refill the holes from the removed trees.
- Update the FEMA information included in plans.
- Present erosion and sedimentation control measures *before* work commences.
- Ensure adequate erosion control/silt protections are in place after construction.
- Avoid use of herbicide. If it is required, DCR must appear before the ConCom to request permission.
- Provide draft order of conditions from their consultants, Bhatti Group

Draft order of conditions will be modified by Commission members and presented at the next ConCom Meeting.

Hearing continued to December 8, 2009.

Next meeting: December 8, 2009.
